Subject: Southeast Lynn Canal Support

I just wanted to let you folks know that I am in Support of the Lynn Canal Highway. Build the road to Haines. I was born and raised here in Juneau, and a life long resident. I know there is a lot of controversy of there pertaining to building the road. However, if they did not build the Alaskan Highway that connects Alaska to the rest of the United States, where would progress be now? I think we still might be riding around on horseback.
